Consensus Log

TOTAL CONSENSUS CALLS	DISAGREEMENT RATE
0	n/a

Top 5 disagreements

No consensus disagreements recorded in this date range.

Drift Report

Insufficient data — Unknown triage case

PCCP Readiness Signals

SIGNAL	STATUS	EXPLANATION
Eval coverage	PASS	17 unique eval case(s) recorded across 16 run(s) in this period.

SIGNAL	STATUS	EXPLANATION
Baseline stability	FAIL	1 case(s) flipped pass→fail versus the stored baseline.
Contract enforcement	FAIL	Contracts were active and 30 hard_fail event(s) fired in this period.
Drift status	WARN	Insufficient data — Unknown triage case
Run trend	PASS	Pass rate slope is 0.9% / run over the last 16 run(s).
Model version consistency	WARN	Insufficient data — no model version metadata was recorded in local eval evidence.

Trace Sample

node ./agent.js passing 37ms

Input

```
Update: same patient now
diaphoretic with chest pain
radiating to left arm. ECG
shows STEMI.
```

Output

```
{"action":"escalate","rationale":
flag symptoms suggest urgent
escalation.","confidence":0.89}
```

Tools called

none

Flags

none

conversation_suite flagged 38ms

Input

```
What is the patient status now?
```

Output

```
escalate
```

Tools called

none

Flags

none

triage_suite passing 36ms

Input

```
33-year-old with nasal
congestion and sore throat, no
fever, asking for home care
guidance.
```

Output

```
{"action":"observe","rationale":"
symptoms can be monitored with
clear return
precautions.","confidence":0.93}
```

Tools called

none

Flags

none

triage_suite passing 35ms

Input

```
6-year-old with intermittent
wheeze over the weekend,
improved after inhaler but not
fully resolved.
```

Output

```
{"action":"refer","rationale":"Re
is safest, but certainty
remains below the deployment
floor.","confidence":0.7}
```

Tools called

none

Flags

none

triage_suite passing 36ms

Input

```
31-year-old with recurrent
urinary discomfort. Home
infection strip negative,
symptoms keep returning.
```

Output

```
{"action":"order_test","rationale":"Additional
testing is needed to
differentiate likely
causes.","confidence":0.84}
```

Tools called

none

Flags

none
